## ABOUT ME

---

I am a final-year student at UBT and I am looking for a job opportunity where I can further develop my skills, especially in application development. I have experience in both frontend and backend development, using JWT for authentication and creating relational structures in MySQL. I am also open to learning new technologies and contributing to innovative projects.

## EXPERIENCE IN PROJECTS

---

- Frontend: HTML, CSS, Bootstrap, JavaScript, React.js, Next.js
- Backend: PHP, Node.js, Java
- Mobile: React Native
- Database: MySQL, MongoDB
- CMS: WordPress
- others: Git, Web Hosting, REST API, JWT Authentication, PayPal Integration, Live Chat
- Fast Food Website - HTML, CSS, JavaScript, PHP
- Implemented JWT authentication and managed data using MySQL with relational tables.
- Hotel Management System - Bootstrap, JavaScript, ReactJS, NodeJS
- Developed functionalities for room reservations, room and customer management, with JWT authentication and MySQL relationships.
- Grade Management System - Bootstrap, JavaScript, ReactJS, NodeJS
- Created an admin panel for professors and students, using database relationships and JWT authentication.
- Car Rental Website - HTML, CSS, JavaScript, PHP
- Implemented vehicle reservation system with user authentication and relational database structure.
- Database Design for Fast Food - MySQL
- Designed database structure with relationships between categories, products, and orders.
- Mini Projects - Calculator, Age Calculator, To-Do List (HTML, CSS, JavaScript)
- Food Ordering Mobile Application - React Native, NodeJS
- Developed a native app with login functionality, food selection, shopping cart, and order tracking.
- Job Search Platform - Next.js, Node.js, MongoDB
- Implemented JWT authentication, dynamic job search, and admin panel for companies and users.
- E-commerce Platform - Node.js, React.js, MySQL & MongoDB
- Built an online store with PayPal payments, live chat support, JWT authentication, and relational data management.

## EDUCATION

---

current student on UBT
